

## **Kim Leischner** BHK, MCC, MNLP

Kim is the catalytic energy behind the consulting, training, mentoring, coaching and facilitation programs currently offered through her company: [www.kimleischner.com](http://www.kimleischner.com).

She leads many different advanced, ICF certified coach training programs around the world, including her signature training “Coaching with Systemic Constellations” which combines systemic constellations, structured solution focused approaches and the ICF competencies. [www.coachingfederation.org](http://www.coachingfederation.org)

Kim is a senior faculty member, trainer, mentor and assessor at Erickson International [www.erickson.edu](http://www.erickson.edu) where she teaches the ICF Level 1 and 2 training program “the Art and Science of Coaching” as well as “the Art and Science of Mindfulness” and “Expanding Emotional Intelligence”.

In addition, she is also a coach trainer, mentor and assessor for the first of its kind ICF Level 1 “Trauma Informed Coach Certification” training program offered by Moving the Human Spirit [www.movingthehumanspirit.com](http://www.movingthehumanspirit.com).

**Coaching and Consulting Approach:** Over two decades of professional experience in the context of human, leadership and organizational development informs Kim’s approach to working with individuals and providing systemic interventions of all sizes. Kim’s approach to working with individuals, teams and organizational systems of all sizes is grounded in Solution Focused methodologies of human development. She brings a holistic and systemic perspective to her work as a consultant, trainer, mentor, facilitator and coach. This allows her clients to:

- Lead positive value based change
- Develop greater awareness when relating to themselves and others
- Communicate and relate in all nature of situations with integrity and confidence
- Experience expanded viewpoints that generate innovative leadership strategies
- Enhance capacities to engage and ignite potential in the system and one another
- Leverage diversity and generate coherent, sustainable growth in complex situations

**Past Clients:** Swire-Coca Cola, Bonaqua, Lexus Nexus, ING, EBay Hong Kong, EPCOS, Integral Hong Kong, Solvay, SAP, DuPont, and others.

**Specialties:** Systemic change for Individuals and organizations, mindset and leadership development, team facilitation and process, coaching skills development, experiential learning. Supporting coaches, leaders, HR professionals, teachers, trainers, facilitators, OD consultants and change makers to achieve their own highest potential ~ and support their stakeholders to do the same.

### Testimonials:

“I absolutely loved your facilitation style, the engaging manner in which you went through exercises with us and generally how you kept us on track. Thank you so much for everything you did.” - Derek Vollebregt

You are such an inspiration to me and I just love the way you facilitate. Thank you for bringing your soul into this work. - Ivy Anan Mawuko, Ghana

“The training session led by Kim exceeded expectation, giving really applicable tools for coaching and leadership in today's organization. Her facilitation skills are exceptional and her commitment in the field of professional coaching shines through.” - Lynn King

“Kim is highly qualified, insightful and committed in assisting, and supporting, you in taking your aims, and discoveries, to greater levels of exploration and manifestation.” - Darren Burns

“Thank you for your commitment to our development”. - Tanis R. Taylor

“I loved your warm personality and your energetic facilitation style. You have such an easy way about you that puts a person - and a group - at ease and allows them to learn and grow in an open and welcoming environment.” - Lindsay Milne
